Production Art / Illustration / Web Graphics

Independent graphic artist working well in both individual and team environments. Primarily self-taught, with 20 years experience as a published artist, illustrator and designer. 15 years of digital photography experience including extensive image editing and high quality, large format printing on Canon, Epson, HP and Iris hardware.

Relevant software: Adobe Photoshop, Adobe Illustrator, Corel Painter, Adobe GoLive, Adobe Dreamweaver

Relevant traditional skills: watercolor, acrylics, colored pencils, marker rendering, pen / ink, graphic design and advanced color theory

Layout + Web + Graphic Design

Over 20 years experience with production and layout, including newspaper advertising, college textbooks, trade edition photography books, catalogs, websites, email newsletters and Wordpress blog template design. Six months experience with product / packaging design and art licensing.

Relevant software: Adobe PageMaker, Adobe InDesign, Adobe Dreamweaver, Quark XPress, MS PowerPoint, Apple Keynote

Education

Bachelor of Arts • Principia College, Elmhurst IL • 1996

- Major in Studio Arts

- Minor in English

Employment 1990 - present

More than 20 years as an independent contractor with several Chicago-area companies, with projects ranging from product design to packaging. Created spot illustrations for a leading children's product catalog, and have served for 6 years as Art Editor for a nationally distributed magazine with 10K+ subscribers. During this period my work has also been published as prints and in books.
